The Haute Route du TMB is an original circuit, far removed from the usual itineraries. Intended for experienced hikers, it takes place in a wild setting while retaining the character of the Tour du Mont Blanc, with major panoramic views and the crossing of major passes.

A small group for greater dynamism, accommodation chosen for its proximity to the mountains, an enthusiastic guide - the cocktail is ready for an exceptional week close to the peaks.

You will love

- An original itinerary, with variants off the beaten track
- Incredible views of the Mont-Blanc Massif
- The discovery of wild spaces that you can cross without leaving a trace
- Close proximity to the high mountains
- Overnight stays in high-altitude refuges and at the Grand Saint Bernard hospice, a legendary Alpine landmark.
