

# MYSTERIES OF THE DEVOLUY self-guided

A Dolomites-like!

Here we are about to enter the Dévoluy, under the face of the Grand-Ferrand, in the classified valley of Jarjatte. The hike is now more alpine in this surprising range. Have you already heard about the Chourum?

Quick passage into the Dévoluy, because we cannot miss the Montagne de Bure, an altitude desert where giant parables are scanning our universe. Way back by the Col Aiguille, where the bearded vulture nestles... Amazing!

## LEVEL \*\*\*

Walking time: 5 to 6.5 hours per day.

Type of trek: Mountain paths, often quite rocky. One to two steep passages to ascend the Montagne de Bure.

The Dévoluy is a very wild and relatively uncrowded mountain range, which gives him charm. The marking and maintenance of the paths, particularly in the south of the Vercors, remain relative, and the orientation can at times become complex. The roadbook provides sufficient information on the itinerary of your hike. However, it is essential to be able to read an IGN 1:25,000 map and to be sufficiently autonomous in the mountains to be able to tackle the itinerary with confidence, whatever the weather (fog, snow, etc.). Guiding is not included in the self-guided package. You will be crossing areas with no telephone network. For your own safety, you may wish to bring along a radio of the latest generation telephone with a satellite connection.

## ROADBOOK

One month before your trip, we will send you your travel documents. The 'paper' version that we send by post consists of :

- IGN TOP 25 map,
- 1 road-book containing all the information you need for the tour,
- 1 map holder,
- A list of accommodation.

## ACCOMMODATION

3 nights in gîte, in dormitory.

## MEALS

Breakfast and dinner are provided in each accommodation.

Picnics are included and are carefully prepared daily by your mountain leader, comprising a variety of healthy salads and local products.
