

# **DISCOVER THE QUEYRAS ON SNOWSHOES**

## A breath of fresh air and sunshine

Departing from the base camp at Prat Hauts, you'll take a deep breath of fresh air with your snowshoes on and quickly appreciate the simple pleasures of these beautiful days of extreme whiteness.

Equipped with new-generation snowshoes, you'll appreciate the Queyras through its natural and human heritage, unique in the Alps. At lunchtime, your guide will find unusual places for you to share a picnic in the sunshine, around a campfire or in the warmth of a pastoral hut in the mountain pastures.

Slowly, you'll discover each of the valleys that make up the Queyras massif. Deer, chamois and roosters may surprise you in this immaculate white landscape.

Back at the chalet, you can enjoy our reading room, screenings and wellness area. At the table, we offer generous cuisine based on produce from neighbouring farms. A comfortable stay in the heart of nature, with real powder within everyone's reach!
