

PANORAMA OF GRAN PARADISO

Gran Paradiso at your own pace with comfortable accommodation

The Gran Paradiso National Park is still a reference in terms of nature conservation: chamois, ibex, marmots, foxes, bearded vultures, as well as magnificent flora including the beautiful sulphur anemone... You can discover the park at your own pace, with an accessible hike each day, combined with a more sporting variant to a great pass, a glacier or a remarkable alpine pasture, depending on the group. In the evening, you'll be back to your cosy accommodation, nestled in the hollow of an Alpine valley... The best of Gran Paradiso!

 6 Days

 Guided / with a guide

 With or without luggage transportation

 Accommodation : Hotel ***

 Level : **

 From : 1265€

You will like

- Alpine landscapes bordered by vast glaciers
- Alpine pastures in bloom
- A choice of hikes to suit all tastes
- Wildlife observation, well protected in the heart of the park
- Cosy accommodations

The route

Day 1

Meet your guide in Courmayeur at 2.30pm. Transfer to the hamlet of Bonne above Valgrisenche (40 mins). Luggage drop-off and 1h30 walk to discover Lake Beauregard and the charming village of Valgrisenche. Settle in for 2 nights.

Day 2

LAGO DI SAN GRATO

The hike starts from the Beauregard dam above Valgrisenche. The view quickly opens up to the surrounding glacial peaks. Climb up through the mountain pastures to reach this beautiful lake, set at the foot of the 'Tête du Rutor', a glacial summit at 3486m. The return route takes you through the valley, close to the Rio del lago and its pretty waterfalls. There is also a more challenging option via the wild Arp Vielle ridge.

4h30 walk / Elevation: +/- 480m 8km

6h walk / Elevation: +/- 900m 15km through l'Arp Vielle

Day 3

ÉPÉE REFUGE - COL FENÊTRE

Climb through a beautiful larch forest until you reach the mountain pastures and the Epée refuge. Just above is the beautiful vallon del Bouc. The more adventurous can continue up to the spectacular 'Col Fenêtre', while the others take a nap by the stream. Descent to Beauregard lake. Transfer (1 hour's drive) to Val di Rhème. Check-in for 2 nights in a 3-star hotel.

5h walk / Elevation: +/-560m 12km

6h30 walk / Elevation: +/-1000m 16km

Day 4

RIFUGIO BENEVOLO - LAGO DI SANT ELENA

Depart from the bottom of the valley and climb up the Gran Vaudala. The Basey mountain pasture is reached via a beautiful high-altitude meadow. Cross over to the Bénévolo refuge and descend along the Dora di Rhème stream. If you go straight up to the Bénévolo refuge, you can enjoy a superb hike around the Truc de San Eléna, up to the turquoise lake that emerges from the glacier. A very alpine atmosphere at the foot of the Tsanteleina foothills.

5h walk / Elevation: +/-520m 10km

6h30 walk / Elevation: +/-820m 14km

Day 5

VALSAVARENCHÉ - PASTURES OF MEYES

Morning transfer to the Valsavarenche (45 mins). Depart from Pont to climb the picturesque Nivollet hanging valley, with its cascading torrent and view of Gran Paradiso. Panoramic traverse to the Meyes mountain pastures. A more challenging hike extends the day from Meyes to Lake Djouan via the 'Col du Manteau' (2795m). Descend directly to the hamlet of 'Eaux Rousses', where the hotel is located.

6h walk / Elevation: +/- 720m 11km

6h30 walk / Elevation: + 920m - 1150m 14km

Day 6

GRAND COLLET - NIVOLET PLAIN

The ascent via the 'Col Grand Collet' is a good climb, but it's a wild pass that's definitely worth a little detour... Chamois

and ibex are sometimes still visible in the morning. Follow the route markers to reach the vast col at 2832m. Descend to the beautiful plain of Le Nivolet, then along the meandering river. Reach the 'Croix du Nivolet', passed the day before, and finally Pont, the end of the hike.

5h30 walk / Elevation: +/- 850m 8km

End of the hike at Pont and return transfer to Courmayeur.

The trip

LEVEL ** TO ***

Level **: +/- 400 to 700m ascent, 4 to 5 hours walking per day, for the most accessible walks: well-marked mountain paths between forest and high mountain pastures, with no particular difficulties.

Level *:** Alternatives allow you to climb a little higher, depending on the level of the group. Difference in altitude: +/- 800 to 900 m, up to 6 hours' walking.

You need to be in a good overall physical condition. Regularly practise an endurance sport such as walking, running, swimming or cycling, 3 to 4 hours a week. Your fitness training will make your walk easier and make it all the more enjoyable. Click here for a description of the different levels: [levels of difficulty](#)

GUIDING

Number of participants : between 6 and 8 people supervised by a qualified professional (mountain leader). The mountain guide leader may have to modify the programme to adapt it to the level of the participants and/or the natural conditions. As a last resort, he is the sole decision-maker.

It is usual to tip your guide at the end of the trek, according to your satisfaction. It is not mandatory but it is very appreciated.

MEALS

Breakfast and dinner are provided in each accommodation. Picnics are included and are carefully prepared daily by your mountain leader, comprising a variety of healthy salads and local products. Please inform us about your food allergies and special diets **at the time of booking**. We do our best to accommodate special diets (gluten-free, vegetarian, etc.). However, we encourage you to bring some additional products for your own picnics.
