

TOUR OF THE AIGUILLES D'ARVES guided

Out of the paths

The Aiguilles d'Arves sit between the Savoie and the Hautes-Alpes, alone between the Vanoise and the Ecrins. There is no official GR route around them and few refuges have been built to accommodate hikers. There are therefore wide open spaces lost between glaciers, mountain pastures and lunar valleys. This circuit offers an unusual tour of the Aiguilles d'Arves with, on the programme, long panoramic ridges, authentic villages, wild lakes facing the Ecrins and high passes.
