WHY NOT STARTING IN CHAMONIX?

This is a legitimate question for a route called "Chamonix Zermatt".

We favored a departure from Le Châble, near the Swiss resort of Verbier, for several reasons:

- The complete route linking these two alpine capitals is too long to be done in just 7 days (except for very trained hikers).
- The first stages starting from Chamonix (Col de Balme, Fenêtre d'Arpette/Bovine) are beautiful hikes but also particularly crowded and every hiker who has previously been on the Tour of Mont Blanc, is already familiar with them.
- Starting directly from Le Châble allows you to avoid a long transfer, usually necessary to cross the Val d'Entremont, but also to be able to do the superb high-altitude hike above the Louvie and Prafleuri passes.

GUIDING

Group between 6 and 14 people supervised by a qualified mountain leader.

To thank your guide, it is usual to tip him at the end of the trek, according to your satisfaction. It is not mandatory but, it is very appreciated.

ACCOMMODATION

5 nights in gites or mountain refuges in dormitories of 4 to 10 persons.
All accommodation offers hot showers.

RESPONSIBLE TOURISM

Nights 1, 2 and 4 are without luggage, you will have to take with you a toiletries set and a change of clothes for the night (maximum 1 or 2 kg). We made that choice to favour an enchanting route but also to lower the cost and limit the environmental impact. Please let us know your thoughts!

MEALS

Breakfast and dinner are provided in each accommodation.

Picnics are included and are carefully prepared daily by your guide, comprising a variety of healthy salads and local products.

Please inform us about any food allergies and special diets **at the time of booking.**

We do our best to accommodate special diets (gluten-free, vegetarian, etc.). However, we encourage you to bring some additional products for your own picnics.
