

PANORAMA OF ÉCRINS guided

Discover the natural treasures of the Écrins

Embark on a hike in the majestic Massif des Écrins. This holiday is an invitation to explore the wild soul of the Ecrins National Park, where every step reveals a new facet of this land of contrasts. The glaciers, frozen in time, watch over the valleys, while the mountain lakes sparkle like jewels in the Alpine sunshine. Every moment spent here reminds us of the power and serenity of nature. This hike through the Écrins is much more than just a route. It's a real immersion in a sanctuary of biodiversity, where the flora and fauna reveal themselves to those who know how to observe them.

Day after day, this adventure in the Écrins invites us to push back our limits while savouring moments of pure contemplation. The paths we follow wind between imposing ridges, secret valleys and landscapes shaped by time.

In this setting of rare splendour, you'll enjoy a unique experience, where wonder is combined with the satisfaction of exploring one of France's most beautiful natural treasures.
