

# THE WESTERN DOLOMITES self-guided

## A journey through Monti Pallidi

The Dolomites... a geological as well as aesthetic must-see for mountain lovers... a unique name to describe more than fifteen "gruppo" mountains all with different looks.

This tour through the western Dolomites invites you to enter the intimacy of four of these massifs: Puez-Odle, Sella, Sasso-Lungo and Rosengarten, enabling you to approach a little this surprising diversity...

Landscapes that take you from mineral lace into a huge stone vessel, from a vast lunar plateau to green pastures and ending in the fantastic scenery of the Catinaccio. Gastronomy playing with flavours from Central Europe to the Mediterranean and as varied as the cuisine are the languages... mixing Italian, German and Ladin.

A hike to meet all the richness of this region!

 6 Days

 Self-guided / without guide

 With or without luggage transportation

 Accommodation : Classic or comfort

 Level : \*\*\*

 From : 680€

## You will like

- The diversity of landscapes and routes
- The contrast between the starkness of the Sella massif and the opulence of the Odle and Siusi alpine pastures
- The fantastic movie like atmosphere of Catinaccio
- The well equipped passages (steps, handrails and cables)... making these stone fortresses so accessible
- Cosy accommodations, warm welcome and local gastronomy uniting Italy and Austria
- A comfort option is available

# The route

## Day 1

Departure point in Ortisei/ St Ulrich, Val Gardena.

### **ORTISEI - ODLE NATUREL PARK**

Take the Furnes cable car, the first climb is a little steep into the forest and the path leads to the vast Seceda pasture, green meadows and "Pale Mountains" of the Odle mountain chain. And then... here you are in the Dolomites! Crossing the pastures to the Firenze hut is easy, going close to the cliffs via the Forcella Pana and Pieralonga. For a more gentle start, the Seceda cable car allows you to reach the plateau directly. Night in a refuge at 2000m, at the foot of the fabulous Odles, **without baggage**.

4.5 hour walk / Elevation: +800 m - 460m / 9km

2 hour walk / Elevation: -450m / 5km from the top of Seceda cable car

## Day 2

### **TRAVERSE THE PUEZ MOUNTAINS - PASSO GARDENA**

The day begins in the beautiful Sieles valley to reach the Forcella de Sieles. The path goes along the ridge, secured by several short cabled sections, before reaching the great circus of Puez. The grassy terraces alternate with a mineral landscape as you cross the plateau overlooking the immense Vallunga canyon, ending in beauty at the Pizes de Cier and their unusual rock towers. Night in hotel, on the col route.

6.5 hour walk / Elevation: +900m -800m / 15km

## Day 3

### **HIGH SELLA PLATEAU - PASSO SELLA**

Total immersion in the mineral atmosphere of the Dolomites whilst crossing one of its highest mountains: the "Gruppo del Sella" ! From the col, the path joins the heart of this immense stone vessel via the Val Setus passage, equipped with cables and steps for easy and safe contact with the famous "Via Ferrata". After a short break at the refuge and the Pisciadu lake, the path continues in an increasingly lunar atmosphere to reach the high plateau of Sella, at an altitude of 2900m. Going down via Val Lastie, or by taking the Sas de Pordoi cable car. Short bus transfer (public bus) to Passo Sella. In case of bad weather, a route bypassing the mountain range is possible. Night in refuge.

6 hour walk / Elevation: +900m -1200m / 10km

5 hour walk / Elevation: +1100m -300m / 9 km (descent in Sas de Pordoi cable car)

## Day 4

### **SASSO LUNGO - CRÊTES DE SIUSI - ALPE DE TIRES**

A day between the emblem of the Val Gardena, the Sasso Lungo and the elegant Rosszähne, along the Royal Trail Friedrich August and then along the ridge "auf der Schneid" ("On the Edge") that dominates the largest alpine pasture in Europe: the Alp of Siusi. This quiet route allows you to enjoy the other face of the Dolomites: vast pastures, "Grise of Tyrol" with curious eyes, juggling with Italian, German or Ladin language... A more alpine route is possible through the massif by the Forcella Sasso Lungo. Installation for 2 nights in a refuge at 2440m.

5 hour walk / Elevation: +700m -400m / 13km

7 hour walk / Elevation: +1200m -950m / 16km (via Forcella Sasso Lungo); Possibility of taking the cable car up

## Day 5

### **ROSENGARTEN - ANTERMOIA - ALPE DE TIRES**

Depart for another day in an out of the extraordinary setting in the heart of Rosengarten (or Catinaccio). Molignon, Antermola, Val Duron... a journey through all the nuances of the mineral colour palette of the Monti Pallidi: ochres, whites,

dark gray, dolomite, gypsum, volcanic rocks... enhanced by the turquoise blue of Lake Antermoia and the great green of the pines. A colourful itinerary! Return to the refuge.

6 hours walk / Elevation: +/-1100m / 14km

## Day 6

### **ALTIPLANO DELLO SCILIAR - ALPE DI SIUSI**

From the refuge, the route starts with the Sciliar altopiano with the possibility of reaching the Mount Petz summit to enjoy a 360° view over the Dolomites of Bolzano. The return to the Alpe de Siusi is then a gentle descent that once again reveals the exceptional skill of the Ladins in building the roads through their mountains. From Compatsch, take the bus down to Seis or the Alpe de Siusi cable car.

3 hour walk / Elevation: +70m -700m / 7 km (direct return to Compatsch)

5.5 hour walk / Elevation: +450m -1100 / 14 km (via Altopiano dello Sciliar)

**End point in Seis/ Siusi in the afternoon.**

*The itinerary is established according to the latest information available, the possibility of unknown factors affecting this itinerary is possible including situations beyond our control which may change the route, timings etc.*

# The trip

## LEVEL \*\*\*

Elevation: +/- 750m average per day.

Walking time: 4.5 to 7 hours per day with optional itineraries.

Type of trek: mountain hike on well marked trails without technical difficulty. There are some aerial passages well equipped with cables.

You have to be in a general good fitness level. Please practice a cardio sport such as hiking, running, cycling, from 3 to 4 hours a week.

Your physical preparation will enable you to enjoy your trek to the maximum.

Please find the description of the levels by clicking here: [levels of difficulty](#)

The roadbook provides sufficient information on the itinerary of your hike. However, it is essential to be able to read a 1:25,000 map and to be sufficiently autonomous in the mountains to be able to tackle the itinerary with confidence, whatever the weather (fog, snow, etc.). Guiding is not included in the self-guided package. You will be crossing areas with no telephone network. For your own safety, you may wish to bring along a radio of the latest generation telephone with satellite connection.

**Please note:** some névés will be present on the paths until the end of June, in particular on the North slopes. High mountain boots, gaiters and walking poles are essential. Be prepared!

## ROAD BOOK

One month prior to departure, we will send you your travel documents. We offer two roadbook versions:

The "paper" version we send by post:

- The Tabacco maps
- 1 road book with all the necessary information for the hike.
- 1 card holder.
- The list of accommodations.

The "digital" version is an application to download on your smartphone, accessible to each of the participants of the file. The information for downloading and using it is sent by e-mail.

## ACCOMMODATION AND MEALS

**CLASSIC:** 4 nights in a dormitory, in a refuge. Remember to bring your own sleeping bag liner and pillowcase. 1 night in hotel in room for 2 to 4 people.

**COMFORT:** subjecto to availability on reservation, up to 5 nights in twin bedroom (or triple bedroom)

All accommodation has hot showers, however access to showers is not guaranteed during periods of drought.

## MEALS

Breakfasts and dinners are served in accommodation.

Picnics are not included. Some hikers prefer to take the opportunity to eat in mountain refuges along the route or you will need to provide your own picnics or order a picnic lunch the night before at your accommodation.

Please inform us about your food allergies and special diets **at the time of booking.**

*We do our best to accommodate special diets (gluten-free, vegetarian, etc.). However, we encourage you to bring some additional products for your own picnics.*

## RESPONSIBLE TOURISM

The route has been modified to offer one night at the heart of the mountains. As a consequence, day 1 is without luggage transport. We made that choice to offer an enchanting route, limit the environmental impact but also to lower the cost of the journey.

## **MAPS**

Tabacco Map 05 Val Gardena - Alpe di Siusi (1/25000)

## Practical information

# Equipment and luggage

## EQUIPMENT LIST

### Clothing

- Walking trousers
- Shorts (Bikini/swimsuit, just in case!)
- Breathable or merino wool t-shirts
- Breathable or merino wool leggings
- Fleece or jumper
- Lightweight down jacket
- Wind stopper or Goretex jacket
- Waterproof poncho + gaiters or Goretex trousers + waterproof rucksack cover
- Pair of gloves and a warm hat
- Sun hat or baseball cap
- Walking socks (1 pair per day)
- Sturdy walking boots with a good sole, already broken in
- 1 change of clothes for the evening
- A pair of comfortable shoes for the evening

### Other Equipment

- Toilet bag
- Quick drying towel
- Sunglasses and sun cream
- Water bottle or Camelback (1.5 litre minimum)
- Knife, fork and spoon
- Plastic lunch box/plate for your picnic lunches (0.40L to 0.50L)
