

# THE WESTERN MYTHIC DOLOMITES

More of these unique mountains...

Did you enjoy our "Dolo the Myth" holiday from Cortina?

You'll love the Western side, from Val Gardena. A panoramic start in the picture-postcard setting of the Odle, followed by the Puez massif with its Icelandic feel. Cross the wild, deserted Sella plateau, with its incredible stone raft, then the Siusi mountain pasture, one of the largest in Europe, to finish with 2 days in the heart of the unusual Catinaccio mountains, in a setting worthy of a fantasy film.

Well-equipped cable routes allow us to take a few aerial steps, giving us access to these towering massifs in complete serenity.

The evenings in the refuge, when the light show of the Enrosadira comes to life, are magical...

Immerse yourself in an extraordinary world...
