

TOUR OF MONT BLANC 7 days self-guided

You, your hiking shoes and your map, we take care of the rest...

You have never hiked around the Mont Blanc? If the idea of our group tours does not tempt you, go self-guided! We organise your stay and provide a map and a guidebook detailing the route. For the rest, you have total freedom. 7 days in the mountains, facing the giant of the Alps...

Trekking at medium altitude in a setting of high mountains, magnificent peaks and impressive glaciers. From mountain passes to alpine pastures, the balcony trails crisscross the natural wonders of three countries geographically linked by "the roof of Europe", by their traditions and history: the Swiss Valais, the Italian Aosta Valley and the French Savoies.

The trip

LEVEL ***

Elevation: +/- 600m to 1200m average per day.
Walking time: 5 to 7 hours per day.

Type of trek: The Tour of Mont Blanc is a long hike route accessible to any person with a good physical condition. Although it does not involve any technical difficulty (no rock climbing or very steep path...), this trip remains a demanding hike where you will need to be able to walk almost 1000 meters up every day for a week.

Advised preparation : regular practice of a cardio sport (hike, running, bike...), 3 to 4 hours of sport every week.

Please find the description of the levels by clicking here: [Level of difficulty](#)

The roadbook provides sufficient information on the itinerary of your hike. However, it is essential to be able to read an IGN 1:25,000 map and to be sufficiently autonomous in the mountains to be able to tackle the itinerary with confidence, whatever the weather (fog, snow, etc.). Guiding is not included in the self-guided package. You will be crossing areas with no telephone network. For your own safety, you may wish to bring along a radio or the latest generation telephone with a satellite connection.

Please note: some névés will be present on the paths until the end of June, on particular on the North slopes. High mountain boots, gaiters and walking poles are essential. Be prepared!

ROAD BOOK

One month prior to departure, we will send you your travel documents. We offer two roadbook versions:

The "paper" version we send by post :

- 1 IGN TOP 50 map
- 1 road book with all the necessary information for the hike.
- 1 card holder.
- The list of accommodations.

The "digital" version is an application to download on your smartphone, accessible to each of the participants of the file. The information for downloading and using it is sent by e-mail.

SIGNPOSTS AND WAYMARKS ALONG THE TREK

The tour of Mont-Blanc is a very well indicated trek:

In France: marked with red and white stripes in both directions for Grande Randonnée.

In Switzerland and Italy: a black dot on a yellow diamond (in both directions).

It is preferable to know how to read a topographical map at 1/25000.

BAGGAGE TRANSPORT

Two options:

without baggage transport: you carry your baggage.

with baggage transport: your baggage is transported daily by our logistics vehicle.

ACCOMMODATION

CLASSIC: 6 nights in dormitory, in a refuge or gîte.

COMFORT: 5 nights in gîtes in a twin/double bedroom.

1 night in gîte in a 4 person bedroom.
