

TOUR OF THE COMBINS self-guided

At the foot of the Valais giants !

Like a discreet little brother of Mont Blanc, the Grand Combin (4,314 metres) dominates its region and seems to reign unchallenged over the Pennine chain. And like a silent cousin of the Tour du Mont Blanc, the Tour des Combins stretches between the Swiss Valais and the Italian Val d'Aoste on a wild and authentic route. It's an opportunity to explore this land of contrasts, from the lush green pastures of the Val d'Ollomont to the icy slopes of the Corbassière glacier, via of course the legendary Col du Grand Saint-Bernard and its thousand-year-old hospice. From pass to summit, from lakes to pastures, enjoy your week on a raw and peaceful mountain.

LEAVE ON YOUR OWN FOR 2 OR 3 DAYS OR MORE

In the 'weight is the enemy' section, here are some tips on how to save a few hundred grams. For example, for your toiletries: a simple plastic bag with a zip or a small plastic box to avoid accidental crushing.

- Hotel-size soap is generally enough for a week
- A tube of toothpaste 3/4 full will do the trick
- Shaving foam: a small sample can
- A small microfibre towel
- A small bottle of shampoo
- A travel toothbrush

Pharmacy: in addition to your personal medicines, bring:

- Elastoplast or hook-and-loop tape
- "Second skin" tape to protect against blisters, such as Compeed
- A small pair of scissors, thread and needle
- A small tube of sun cream and lip balm

Now all you have to do is apply this recipe to your entire bag!

Your change of clothes should be packed into 1 soft bag of no more than **10kg per person**. Your luggage is transported by a logistics vehicle from stage to stage, except on night 1, in accommodation that is not always easy to access.
