

## TOUR OF THE VANOISE GLACIERS Comfort self-guided

Our flagship tour, in the heart of France's first national park... with  
the comfort of a bedroom !

Between the high valleys of Maurienne and Tarentaise, the Vanoise massif is a condensed version of all the richness of the Alps: geological crossroads, protected climatic conditions and altitudes that range up to the 3855m of La Grande Casse allow for a magnificent diversity of landscapes, flowers and the remarkable presence of all the alpine fauna, at the limit of the "High Mountain". COMFORT :

2 nights in a refuge, in a 4-person dormitory,

2 nights in a hotel, in a 2-person bedroom,

1 night in a refuge, in a 2-person bedroom.

Bed linen is provided in all accommodations. Please bring your own towels. All accommodation is equipped with hot showers. However, due to increasingly recurrent periods of drought, access to showers is not guaranteed.

The refuges that host us on the first and last days offer the comfort of very recent rooms/dormitories, for 2 to 4 people, which provide more privacy than in a large dormitory. Please note that the sanitary facilities are shared. One is a former mountain pasture chalet, the other is a mountain refuge, and they compensate for their rustic feel with unspoilt surroundings and a warm welcome!

## THE MEALS

Breakfast and dinner are provided in each accommodation. For lunch, your guide will prepare a picnic based on salads of

regional products. **Please inform us about your food allergies and special diets at the time of booking.** We do our best to accommodate special diets (gluten-free, vegetarian, etc.). However, we encourage you to bring some additional products for your own picnics.
